

Wall finishes

A variety of wall finishes may be used in conjunction with Altro Marine 20 safety flooring within showers.

Altro Whiterock PVCu hygienic wall and ceiling cladding

Altro Whiterock PVCu hygienic wall and ceiling cladding is grout-free, is thermoformed around corners and all joints are sealed, creating an impervious, easy to clean finish from floor to ceiling.

Detailing - drain outlet

A 'clamping' drain outlet can be used, creating a hygienic and waterproof installation.

AltroSmooth sheet vinyl

AltroSmooth sheet vinyl may also be hot welded to the floor finish to create a waterproof joint. AltroSmooth can be wrapped around corners and coved to the ceiling.
